#### **INTRODUCTION TO THE STUDY OF THE SECRET DOCTRINE**

**TS in America, © 1995**

**2 Discs**

**Edward Abdill**

These DVDs provide a lively overview of the fundamental teachings in *The Secret Doctrine*. They can stand on their own as an introduction to the subject and would also be a very useful addition to any *Secret Doctrine* course run in TS centres, either at the beginning of a course or interspersed throughout as appropriate. Parts 1-4 deal with Cosmogogenesis and Part 5 with Anthropogenesis.

#### **DISC 1, Parts 1-3, 79 minutes**

**Part 1, 36 minutes** introduces *The Secret Doctrine* and discusses the nature of the book; the use of the word 'Secret'; the aims of the work; its subject matter; Cosmogogenesis and Anthropogenesis; and its authorship.

**Part 2, 21 minutes** includes advice from the Bowen notes on how to study *The Secret Doctrine*; four basic ideas which HPB recommends to keep in mind when reading it - unity, matter being alive, the whole being present in every part and the Hermetic axiom; and the root races.

**Part 3, 22 minutes** discusses facts versus principles; the Three Fundamental Propositions with particular emphasis on such terms as be-ness, consciousness, pre-Cosmic ideation, fohat, the seven principles and maya.

**DVD-PAL No. 109**

**Also available as Video No. 55**

#### **DISC 2, Parts 4-5, 44 minutes**

**Part 4, 22 minutes** addresses some main points from HPB's 'Recapitulation' - the accumulated wisdom, the one divine SUBSTANCE-PRINCIPLE, periodicity, the universe as maya; the idea that all is conscious and the guidance of everything from within outward. In addition, 5 seminal points about the esoteric philosophy are dealt with.

**Part 5, 22 minutes** deals with Anthropogenesis, in particular the 3 new propositions which appear in this section of *The Secret Doctrine*: 1. the simultaneous evolution of 7 human groups on 7 portions of the globe, 2. the birth of the etheric before the physical, as its model and 3. the idea that humanity preceded every mammal (including anthropoids).

#### THE PRESENCE OF THE PAST

with **Rupert Sheldrake**; hosted by **Dr Jeffrey Mishlove (30 min)**

##### Thinking Allowed

Were there any 'laws of the universe' at the time of the 'big bang'? Oxford trained biologist Rupert Sheldrake, author of *The Presence of the Past*, says that all laws developed as 'habits' over time. Thus the universe and its laws can be seen to be continually evolving. In this view the theory of evolution can be applied to physics, chemistry and cosmology.

### THE ADEPT TRADITION IN EUROPE:

**ROSICRUCIAN, CATHAR AND CONTEMPORARY ADEPTIC CURRENTS \*\*\* [NTSC]**

TS in America, 1994, 55 minutes

Stephan Hoeller

In this video Stephen Hoeller examines how the Adeptic or esoteric tradition has been maintained within the Western esoteric tradition for a long period of time, mainly in two ways:

(1) open - Gnostic/Hermetic tradition/Neoplatonists/Manichaeans/Cathars/Eliphas Levi/the TS

(2) secret - Templars/Masonic tradition/Rosicrucians/Martinists/Golden Dawn/Eleusinian mysteries

He traces the development of these various traditions in an interesting manner and shows the TS to be part of a great and ancient stream of the Adeptic/esoteric tradition.

### **COLOURS OF INFINITY \*\*\* [PAL]**

**VC Media, Melbourne, 60 minutes**

Presented by science writer Arthur C. Clarke, this video takes the viewer on a visually exciting journey of the Mandelbrot set and fractal geometry, which is an extension of Euclidian geometry. Several scientists and mathematicians are featured, including Dr Benoit Mandelbrot and Professor Stephen Hawking. A fractal is a geometrical shape which has been called the 'thumbprint of God'. Fractals bear a striking resemblance to themes in nature and various religious images, and are reminiscent of Jung's collective unconscious. As they are magnified, new and similar patterns emerge repeatedly. The use of the Mandelbrot set as a technological tool and in commercial applications is also discussed.

### **COLOURS OF RAJASTHAN \*\*\* [PAL]**

**Albert Falzon (Producer/Director), Woolloomooloo Pictures, Sydney, 1980s, 50 minutes**

In the early part of the video we visit the ancient city of Benares (Kasi or City of Siva) where many pilgrims gather to perform ritual bathing of purification in the holy river, the Ganges. Then we are taken to the dry north-western part of India in Rajasthan for an annual Mela or holy fair. Many isolated desert nomads gather together at the time of the full moon of Kutta. They bring their best camels, horses and cattle as well as colourful wares to exchange or sell. It is an exciting occasion for all.

#### **GUIDELINES FOR THE SPIRITUAL LIFE \*\*\***

This series was made by the TS in New Zealand in 1993 during a seminar on this theme given by Joy Mills. Joy draws on various sources from theosophical and mythological literature to illustrate the various stages of the journey.

#### **TAPE 1: THE PILGRIM PATH: PREPARING FOR THE JOURNEY, 2 hours, 1 minute \*\* [PAL]**

**Joy Mills**

We begin by examining the journey of our existence which we have tended to obscure. This tape includes three main features of the theosophical world-view and compares the linear physical story of our lives with the story of the mythic and symbolic realms of experience.

**Video No. 6**

#### **TAPE 2: WHO MAKES THE JOURNEY? THE LIGHT ON THE WAY, 1 hour 45 minutes \*\*\* [PAL]**

**Joy Mills**

The video commences with an interesting practical exercise oriented towards the spiritual pilgrim. A distinction is made between being a tourist and being a pilgrim and such works as The Voice of the Silence, the Bhagavad Gita and The Mahatma Letters to A.P. Sinnett are drawn upon. A diagram is presented to illustrate a four-fold function of our consciousness and questions and discussion are included at the end.

**Video No. 7**

#### **TAPE 3: THE JOURNEY BEGINS: ASPECTS AND IMAGES, 2 hours 7 minutes \*\*\* [PAL]**

**Joy Mills**

Various aspects of the journey are covered including who is taking the spiritual journey, what we carry around from our past and the use of metaphors as ways of understanding events. A practical exercise is given and the session is quite interactive.

**HELENA P. BLAVATSKY: MESSIANIC MESSENGER, Part 1 \*\*\* [NTSC]**

**TS in America, 1991, 43 minutes**

**Vonda Urban**

Vonda Urban reads and comments on some very interesting passages which throw light on HPB and her work. In Part 1 she refers to 'The Mahatma Letters', particularly a letter on probation and chelaship explaining that HPB was the instrument who brought the Ancient Wisdom teachings into our age. She also refers to a letter from Master KH to Colonel Olcott while he was travelling by boat to Italy, addressing doubts the Colonel had about HPB and her work.

#### **INTRODUCTION TO THE STUDY OF THE SECRET DOCTRINE \*\*\* [NTSC]**

**TS in America, 1995**

**2 volumes**

**Edward Abdill**

These videos provide a lively overview of the fundamental teachings in *The Secret Doctrine*. They can stand on their own as an introduction to the subject and would also be a very useful addition to any *Secret Doctrine* course run in TS centres, either at the beginning of a course or interspersed throughout as appropriate. Parts 1-4 deal with Cosmogogenesis and Part 5 with Anthropogenesis.

#### **VOLUME 1, Parts 1-3, 79 minutes**

**Part 1, 36 minutes** introduces *The Secret Doctrine* and discusses the nature of the book; the use of the word 'Secret'; the aims of the work; its subject matter; Cosmogogenesis and Anthropogenesis; and its authorship.

**Part 2, 21 minutes** includes advice from the Bowen notes on how to study *The Secret Doctrine*; four basic ideas which HPB recommends to keep in mind when reading it - unity, matter being alive, the whole being present in every part and the Hermetic axiom; and the root races.

**Part 3, 22 minutes** discusses facts versus principles; the Three Fundamental Propositions with particular emphasis on such terms as be-ness, consciousness, pre-Cosmic ideation, fohat, the seven principles and maya.

**Video No. 55**

**Also available as DVD-PAL No. 109**

#### **VOLUME 2, Parts 4-5, 44 minutes**

**Part 4, 22 minutes** addresses some main points from HPB's 'Recapitulation' - the accumulated wisdom, the one divine SUBSTANCE-PRINCIPLE, periodicity, the universe as maya; the idea that all is conscious and the guidance of everything from within outward. In addition, 5 seminal points about the esoteric philosophy are dealt with.

**Part 5, 22 minutes** deals with Anthropogenesis, in particular the 3 new propositions which appear in this section of *The Secret Doctrine*: 1. the simultaneous evolution of 7 human groups on 7 portions of the globe,

**MEDIA LIBRARY FOR MEMBERS**

### **THEOSOPHY AND THE FUTURE OF RELIGION \*\* [NTSC]**

**TS in America, 1993, 53 minutes**

**Radha Burnier**

Radha Burnier, International President of The Theosophical Society, discusses the conflict between religion and the religious spirit, how religion has suppressed enquiry and encouraged fanaticism and bigotry. She deals with the importance of deep enquiry and expanding relationship, which is the direction in which the real religious spirit has proceeded. Theosophy, she says, is the heart of all religions and therefore how we study Theosophy is important – whether we become stuck with words or come to know it more deeply.

### **THEOSOPHY FOR EVERYONE \*\*\* [PAL]**

**Blavatsky Trust, 52 minutes**

'Theosophy for Everyone' has been made specifically to explain what Theosophy is and is not – its origins in the ageless wisdoms, and how it survived suppression and distortion to blossom anew as modern Theosophy. It discusses the 'God' principle, how theosophists view the Deity, the human constitution, what we are and what we have the potential to become, karma, reincarnation, Mahatmas, the nature of the soul and the evolution of the Spirit. Features various theosophical commentators.

### **THE UNITY OF MAN IN THE UNIVERSE - Parts 1 to 4 on one video [NTSC]**

**TS in America, 1982, 78 minutes**

#### **PART 1: SPACE, MOTION AND UNITY, 16 minutes. Accompanied by a study guide.**

This video touches on the First Fundamental Proposition contained in the Introduction to "The Secret Doctrine". Space, matter and motion are eternal and exist even during Pralaya.

**Video No. 25 - Part 1**

#### **PART 2: CYCLES, 22 minutes. Accompanied by a study guide.**

This part of the video focuses on the Second Fundamental Proposition of "The Secret Doctrine" covering the cyclicity of all things, from stars to humans, of tiny organisms and atoms.

**Video No. 25 - Part 2**

#### **PART 3: THE UNFOLDING OF CONSCIOUSNESS, 24 minutes. Accompanied by a study guide.**

The evolution of consciousness is an essential part of the Third Fundamental Proposition of "The Secret Doctrine". Man is unique in having Manas operative enough to be a bridge between the higher and lower aspects of being. Evolution is dealt with in fairly simple terms in the narration with quotes from theosophical and scientific sources.

**Video No. 25 - Part 3**

#### **PART 4: POLARITY: OPPOSITES IN UNITY, 15 minutes. Accompanied by a study guide.**

Polarity or polarization occurs as soon as a universe comes into manifestation. This video is a discussion of the underlying unity behind the theosophical concept of polarity, which includes spirit/matter, subject/object, male/female, etc.

### **WHAT HAPPENS WHEN WE DIE \*\*\* [PAL]**

**Blavatsky Trust, 1996, 52 minutes**

This is a skilfully and professionally narrated video which gives a sensitive treatment of the subject of death from a theosophical perspective. It shows death to be a change from one existence to another and not an end, within the context of reincarnation and human evolution. Processes after death and premature deaths are dealt with skilfully. Colour is added as various traditions such the Egyptian, Judaic, Christian and Hindu traditions are drawn upon as source material.
