

The Yoga of Theosophy

2017 School of Theosophy

Presenter: Dr Pablo Sender, USA

The Theosophical tradition has developed a wealth of teachings about the spiritual life that are a distinctive system of yoga. This path is particularly relevant for today's world as it focuses on study, meditation, purification, self-observation, and service. This session of the School of Theosophy will explore the practical aspects of Theosophy and their deep theoretical foundations.
